

SUMMIT II INFORMATION MARCH 16, 17 2018

What is the Vision of the Summit? At the heart of the **Summit** is the vision to gather, equip and mobilize pastors, leaders, parents, and anyone who has a heart to **impact and mentor the next generation**. Participants of the Summit will receive insights and keys to unlock the hearts of children for intimacy with God through prayer, praise, power and the prophetic. We will experience practical tools that will empower and equip parents and leaders for this next generation to passionately and confidently walk with God and to prepare them for the great exploits God has for them! This is a very exciting venture! **Lenny LaGuardia**, has agreed to come and lead us in our second Summit

Who is Lenny LaGuardia? For over three decades, Lenny La Guardia and his wife Tracy have devoted their lives locally and internationally to equipping, empowering, and mobilizing young people, parents, and leaders with biblical truths and relevant strategies for ministering to children and youth today. Lenny and Tracy are the executive directors of the Children's Equipping Center (CEC) at the International House of Prayer - Kansas City, where they lead a missionary staff that equips children from all over the world. Currently, the CEC provides over 130 hours a week of children's services. Lenny and Tracy have been married for 38 years and have five children. Lenny is excited to come to Edmonton and has a keen desire to share the insights and resources that he and Tracy have used to make such a difference in the lives of hundreds of children throughout the years! We believe this is an awesome opportunity for the leadership in Edmonton and area to catch the vision and pursue all that God has for our children in this region and beyond! Come and share in this exciting venture with Lenny La Guardia as we invite the Lord to move among us and speak to us during this summit.

What is the Cost? The cost is \$40 per person. The modest fee is to make it accessible for everyone with a heart to be involved in the preparation of this next generation. An offering will be taken at the event and donations may be made online as well. **Register** on line at www.kidsofpromise.ca

Where is the Summit held? **Spruce Grove Community Church (180 Century Road, Spruce Grove, AB)**

What Happens after the Summit? Following the Summit, subsequent Summits and on-line training will continue throughout the year to further equip and empower parents and leaders for this next generation.

Summer Camp. The week of July 16, 2018, a "Signs and Wonders Camp" for elementary age children, will be held here in Edmonton. Lenny and his team will be here to lead us in this venture for a dynamic life-changing camp for our children! The March Summit will be essential for the equipping and preparation for those who desire to assist in the leadership of this amazing experience!

Children's Equipping Center in Edmonton and Area. All children should be privileged to have leaders and mentors who are trained to raise up and prepare the children and youth to be confident leaders that impact and make a difference in their world. We, at Kids of Promise, have a vision for a Children's Equipping Centre here in Alberta, both to train up and assist leaders to mentor and lead children into their destinies, but also to hold events that bring children together to experience life-changing gatherings with their peers. The purpose of the Children's Equipping Centre is to equip, empower and prepare parents and leaders in their ministry with children to be dynamic leaders of this next generation and to walk in the fullness of their call!
